DEDICATION

To the **Spirit of Heights!** Intangible, undefinable — it is the most intimate, the most vital part of the lives of every Alamo Heights student. It reaches out to us on the day we register, assuring us that we have a right to be here, that we are wanted, that we belong.

This spirit goes with us to our classes, encouraging us to grow in body, in mind, and in spirit; to be healthy, cheerful, independent, intelligent, and honorable. It makes us swell with pride when our friends achieve honors for themselves and for our school through service in the various school organizations which balance our lives and fill them with rich experiences.

This same spirit fills us with the desire to give freely and cheerfully of our time, money, and enthusiasm to worthy causes which promote human welfare, victory, and peace.

Heights' Spirit is synonymous with our faith — "the substance of things hoped for, the evidence of things not seen." It is our faith in ourselves, in our friends and loved ones, and in our world of tomorrow.

A MESSAGE FROM THE PRINCIPAL

Desperate days have gone behind us; extremely important days are before us. The prospects of the future are brighter than a year ago they will become even more so in direct proportion to the thought effort, time, and prayer we devote to the problems of today.

It is a great and challenging world into which you will go in the years to come. Because of the seriousness and enthusiasm with which you are anticipating these challenges, I believe now in the worthwhileness of the new day and the possibilities of a new world.

I thank you for the privilege of being allowed to participate in the movement of youth toward a better day.

Under the capable leadership of Tom Bell and the excellent guidance of Miss Gilmer, Miss Harrell and Mrs. Sawyer we of the Senior Class of 1945 began our triumphant year. The assistance of our advisory presidents, Bob Warden, Tom Bell, and Nanette Wright enabled us to serve our school in every way possible. In March we presented our senior play, "Come Rain or Shine," under the direction of Mrs. Bradley and the remaining two months were filled with senior activities enjoyed by all.

The climax, of course, was the Baccalaureate services and Commencement exercises in May. Thus, we must leave A. H. H. S., but amid sad good-byes mingled with laughter we take with us the memories of three happy and most successful years!

Carol Howard was elected president of our Junior class with John Foster, Betsy Jennings, Joyce Derden, and Marion Eckles helping her out as advisory presidents.

Many high honors were bestowed on several members of our class with Nelson Miller as president of Science Club and photographer of the OLMOS, while Patsy Sheridan and Florabelle Dinn took over as advertising managers. Student Council members were Alice Burgoyne, Lee Gilliland, Reagan Preis, John King, Audrey Phillips, John Williamson, and Gladys Kneupper, with Renee Fischer as secretary of this worthy organization.

Vice-President—Patty Stone

Treasurer—Herbert Mills

Although we've only been in high school for a year, we've entered wholeheartedly into the competitive spirit of Heights. We chose Raymond Erben as our class president with Warren Caldwell, Herbert Mills, Rex Elmore, Bobby Jones, Don Reinhackel, and Jere Thompson assisting as advisory presidents.

Our class was well represented on the gridiron with Thome, Erben, Read, and Morris lettering in football. Janet Watts and Donald Thorn headed the Latin Club as Co-consults, while Jack Spooner led the Band. Student Council members included Joyce Bruff, Louis Sanders, Raymond Erben, Mary Jane Fellbaum, Tom Green, Bobby Jones, Frances Rogers, Donald Thorn, Howard Tidwell, Barbara Wheless, Betty McCoy, Jackie Jones, Bill Sweeney, Dolores Robertson, and Robert Sweeney.

Another election named Patty Stone and Warren Caldwell Most Representative students. Members of Brigham's, Lighthouse's, McReynolds', Davis', Sain's, Rees', and Butler's advisories, we've made this a truly eventful year for a green sophomore class!

NATIONAL HONOR SOCIETY

President—Patricia Peyton

LEADERSHIP, SCHOLARSHIP, CHARACTER, SERVICE—these are the qualifications in which students must rank high to be worthy of membership in the Alamo Heights Chapter, Number 822, of the NATIONAL HONOR SOCIETY. As only five per cent of the Junior Class and ten per cent of the Senior Class may be elected by the faculty to this society, membership is a singular honor, the highest which high school offers.

QUILL AND SCROLL

Vice-President _____ Ann Jennings
Sec'y.-Treas. _____ Peggy Whitesides

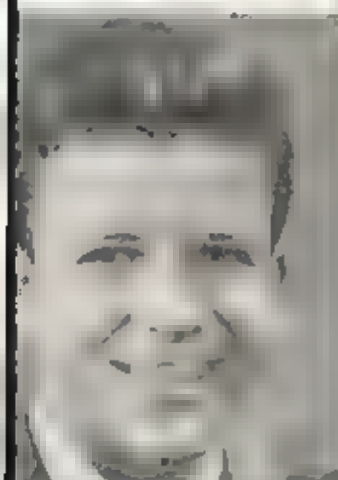

Earnest reporters and eager story writers form one of Heights' most honored organizations, Quill and Scroll, the International Honorary Society for High School Journalists. To become a member a student must pass four tests: he must be in the upper third of his class; he must have done distinctive work in some phase of high school journalism; he must be recommended for membership by the journalistic advisors and he must be approved by the international society's executive officer as being worthy of membership.

The Richard Haliburton Chapter of Quill and Scroll was founded at Alamo Heights in 1940 and membership has become the highest honor offered here for those journalistically inclined students. In their work the members strive to live up to their motto, "Ye shall know the truth and the truth shall make ye free."

STUDENT COUNCIL

Vice-President—M. Miller

Secretary—R. Fischer

Treasurer—L. Marko

The Student Council sponsors all charity, patriotic, and other drives held in the school, is in charge of all ticket sales (football tickets, concert tickets, etc.), Alamo Heights sticker sales, and furnishes ushers for all assemblies. The Council members are in charge of office duty, traffic duty, and sale of War Bonds and Stamps. In October of 1944 the Alamo Heights Student Council became a member of the National Student Council. At the B.C.S.L.A. convention on December 8, 1944, our

council was elected president of the B.C.S.L.A. for 1945. At the suggestion of the Student Council, the school now participates each day at 11 o'clock in a minute of prayer for our armed forces overseas.

The small silver "S" worn by the members of the Girl's Service Club has an important significance at Heights. It means that the wearer has served her school and community faithfully and for her service she was one day pinned with small red and purple ribbons. The red signifies service the purple leadership. With these two things in mind, a member has made cradles for the benefit of the School Christmas Fund, she has written a column for the Alamo Heights News about our graduates in service. Her dues have made possible donations to the March of Dimes and the Gonzales Warm Springs Foundation. Furthermore the Bexar County Home for Girls was presented with records, a basketball, and individual gifts as Valentines by the owners of those coveted pins, "S," who nobly live up to their club's purpose: "To be leaders in service."

HI-Y

Composed of willing workers with a cooperative and enthusiastic spirit, the Alamo Heights Hi-Y has increased in membership from twenty-two active members in '44 to fifty-five in '45. Alamo Heights could hardly get along without the Hi-Y. Their barn dance in the auditorium at the first of the year was a good start. Their efficient efforts for the Girl Reserve-Hi-Y Carnival helped make it a successful event.

The city-wide tin can collection was greatly aided by our Hi-Y club, and our basketball team brought many honors to our school, defeating the Jefferson and Harlandale teams.

The honor roll in the front hall was carefully compiled and tended by the Hi-Y this year. In this way they have indeed paid tribute to our boys in the service of our country. Who could ask for a better example of a "High Standard of Christian Character"?

In support of high ideals and assumption of responsibility, outstanding service and leadership are always displayed by the Girl Reserves. Loyal and capable this organization leads the school in membership and well doing. Bib Day for the benefit of the Robert B Green Hospital, Girl Reserve Hi Y Carnival, collecting for the Navy Mother's Club and forming a new G. R. club at South San are all in a year's work for the Girl Reserves. New-girl teas, Monday night suppers and the hanging of the greens at the Y.W.C.A. constitute only a part of the good times a G. R. has.

Their motto, Find and give the best, is always foremost in their many activities. Panel discussions at meetings and the P.T.A. bring better understanding of current interests. Contributions to the Red Cross, Central Christmas Clearing Bureau, March of Dimes and the purchase of War Bonds, keep G. R. money in the right places.

At the State Contest in April, 1944, the band won first division in concert, marching, and sight-reading.

Supporting the team at all our football games, the band thrilled spectators with their music and marching.

In May of 1944 they played for the WAC broadcast from the Alamo Plaza.

The band added a certain spirit to all our pep rallies, besides playing for two P.T.A. meetings, a Christmas concert, and a regular Victory Concert in the spring of '44.

In the State Contest held in December, 1944, they again received first division in marching.

They played at Camp Normoyle for the entertainment of returned veterans from overseas. For this and other outstanding services our band received a citation from the War Music Council of America awarded for their contributions to the war effort. The Alamo Heights band was the second band in Texas to receive this citation.

SENIOR CLASS HISTORY

On September 7, 1942, one hundred-twelve sophomores enrolled in Alamo Heights High School. There were groans and sighs from the faculty, especially from Mrs. Waskow, Miss Sain, Mrs. Sawyer, and Miss Gilmer, who had been designated as the new sophomore advisors; yet this class has turned out to be one of the most outstanding!

As for representation the class of '45 began early. They started by electing Peggy Stark president; Helen Moss, vice president; John Tynan, secretary, and Virginia Hartman, treasurer. All of these officers elected had done outstanding work in junior high school insuring success for the sophomore class.

With the class off to such a good start these hard-working sophomores decided not to let their now thoroughly enthusiastic advisors down. Just to prove their ability the first six weeks in high school, Patricia Peyton, Helen Moss, J. Frank Kinsel, Glenn Watkins, Lucie Whitehead, and Walter Morris made the Honor Roll. Honorable Mention was well represented by sophomores when Mary Elizabeth Post, Harold Rogers, Cynthia Stiles, Charlotte Smith, Patsy Reinhardt, Ed Moser, Tom Bell, Peggy Stark, Roland Caldwell, Ella Cash, Peggy Whitesides, John Tynan, George Benson, Rosemary Hutchinson, Norma Lou Sample, and Joyce Pape made "B" averages.

The sophomores had as their Student Council representatives Bill Davis, Irma Marko, Thomas Keeter, Peggy Stark, Lydia Manton, Peggy Whitesides, and Tom McMullen, who were welcomed whole-heartedly as new members and later praised for their co-operative spirit.

The time for report cards came again, and the class of '45 had seven members on the Honor Roll and ten on Honorable Mention. This definitely proved to the faculty that these students had not only personality plus, but brains too!

Once again Favorites' election rolled around and Helen Moss and John Tynan were chosen the Most Representative members of the sophomore class. Anyone can understand why!

Coach Martin was thoroughly pleased with the new class, for it contained many good up-and-coming athletes. As he looked them over, he especially noticed "Boo" Benson, Jack Watts, Tom Bell, Elkin McGaughy, Ed Moser, and Tommy Saunders, who, he predicted would soon be making a name for themselves on the gridiron.

And so the class of one hundred-twelve young sophomores had made their debut. Then they were no longer sophomores; for summer had come, and the following fall they were the "in betweens," the Juniors.

After an enjoyable vacation we began our Junior year with football in the air. The powerful Mules pounded out a district championship, but lost 14-15 to New Braunfels for Bi District honors. Representing our class were squadmen Elkin McGaughy, Frank Dibrell, Quinn Williams, and Judson Blitch, and lettermen Jack Watts, "Boo" Benson, and Tommy Saunders. Responsible for a large share of the Mules' successes were the Band led by Norma Lou Sample and Martha Miller, and the Pep Squad.

Election of class officers found Peggy Stark and John Tynan presiding, assisted by Quinn Williams, Martha Miller, and J. Frank Kinsel. Advisory presidents were Peggy Whitesides, Quinn Williams, and Connie Zuercher.

Making good in Student Council were Peggy Stark, "Toad" Colglazier, Patricia Peyton, and John Tynan. Irma Marko and John Tynan were elected Most Representative Juniors.

Spring brought on another track season, and representing the "Blue and Gold" were Jack Watts, Frank Dibrell, Elkin McGaughy, Jim Carhart, Judson Blitch, Quinn Williams, and Tom McMullen. The Alamo Heights Invitational Track Meet was a huge success.

Proud of the honor of being chosen members of the National Honor Society were Irma Marko, Patricia Peyton, and Peggy Stark. Members of the Quill and Scroll included Peggy Stark and Martha Miller.

The latter part of May election for cheerleaders was held with "Vege" Norris, Jo Lee Wheat, and J. Frank Kinsel taking the honors. Also, the pep squad had their annual tryouts; and newly elected Major, Nanette Wright, and Majorettes Chickie Garwood and Audrey Duty are to be ably assisted by President Bettie Celaya.

An exciting campaign for president of the Student Council was conducted for candidates Robert Colglazier, Peggy Stark, Tom McMullen, Peggy Whitesides, and Patricia Peyton. In the end, Peggy Stark was elected and the Class of '45 began preparation for their senior year.

September of 1944 found the Class of '45 back in the classrooms for the third and final round, reduced from 112 students to 89.

Giving football opponents all kinds of trouble were "Boo" Benson, Tom Bell, Jack Watts, Judson Blitch, Tommy Saunders, and Ed Moser, lettermen; and Frank Dibrell, Bill Davis and Tom McMullen, squadmen. Supporting them were the band and pep squad, as well as all the other students.

Assisting Peggy Stark in the Student Council were Martha Miller, Irma Marko, Frank Dibrell, Tom McMullen, Ed Moser, Jack Watts, and Tommy Saunders.

Peggy Whitesides was chosen Editor of the OLMOS, and immediately she set to work selecting a very competent and efficient staff.

Bob Warden, Tom Bell and Nanette Wright were elected senior advisory presidents of Miss Harrell's, Miss Gilmer's, and Mrs. Sawyer's advisories, respectively.

After the unforgettable Christmas holidays the Seniors displayed their foresight in their class elections. They chose to lead them Tom Bell, president; Jack Watts, vice-president; Martha Miller, secretary; J. Frank Kinsel, treasurer; Tommy Saunders, sergeant-at-arms; Pat Peyton, parliamentarian; Patsy Reinhardt, reporter; Jo Lee Wheat and Judson Blitch, historians.

The Seniors elected as most representative students were Peggy Stark and Boo Benson, who have worked hard for their school and deserved this honor.

The 135 Girl Reserves, led by their capable president, Irma Marko, and sponsor, Miss Harrell, have made a place for themselves as one of the outstanding clubs in Alamo Heights. Pat Peyton, president of the Service Club, and her willing staff officers, sponsored by Miss Lighthouse, have proven their name of SERVICE, for they have worked hard and built their reputation up to the best.

The track team consists of Jack Watts, Tom Bell, Elkin McGaughy, Jim Carhart, and Judson Blitch. They entered Edison Track Meet and Border Olympics at Laredo, but we cannot determine who will win, as this book goes to press before the various meets are held, but we wish the boys lots of luck in making this track season a memorable one for everybody.

The Glee Club with its three senior officers, Jo Lee Wheat, president, Phyliss Carter, vice-president, and Jodie Lowe, secretary treasurer, has added greatly to our many assemblies. Senior members of the Octette are Phyliss Carter, Chickie Garwood, Janet Prentiss, and Jodie Lowe.

The newly elected senior members of Quill and Scroll are: Pat Peyton, Nanette Wright, Ann Jennings, Patsy Reinhardt, Norma Lou Sample, Lorelee Ernst, Elkin McGaughy, Peggy Whitesides, Martha Miller, Peggy Stark, and J. Frank Kinsel.

The highest honor to be obtained in the school is that of membership to the National Honor Society. The senior members are: Peggy Whitesides, J. Frank Kinsel, Martha Miller, Nanette Wright, Norma Sample, Lorelee Ernst, Ann Jennings, Patsy Reinhardt, and Barbara Martin.

Now, with the memories of the many good times we've had, and all the friends we've made, the Senior Class of '45 leaves the school in the capable hands of the Juniors.

SEASON SUMMARY

September 21—Tech

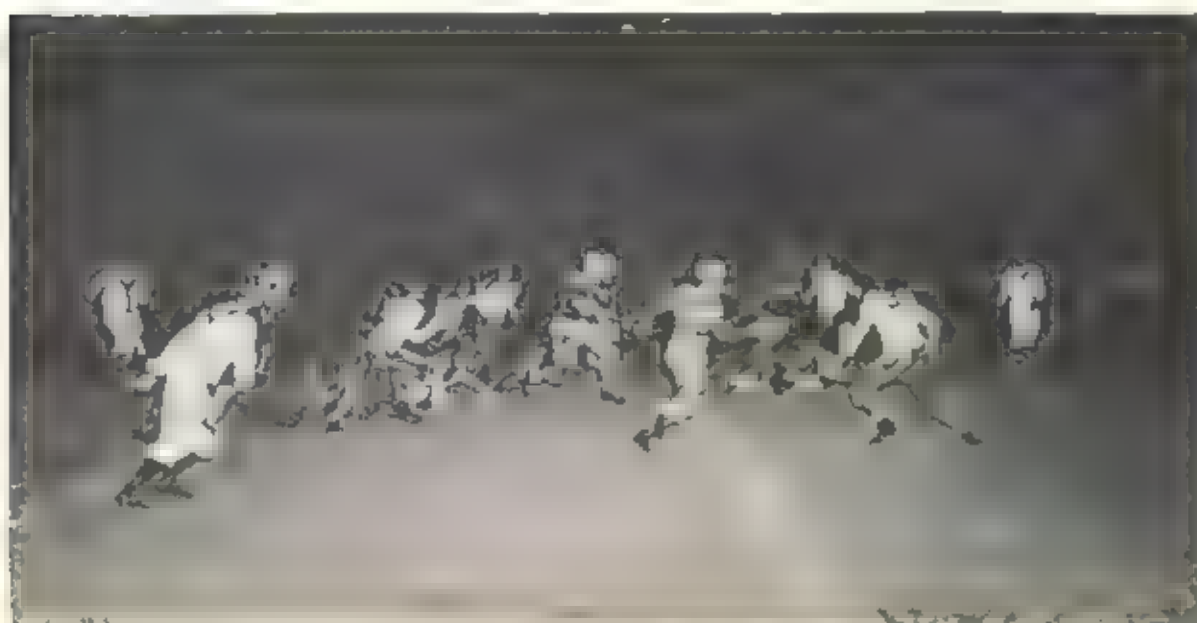

An inexperienced but determined Alamo Heights' team opened the season with a non-conference game at our stadium against the heavily favored Tech Buffaloes. Cox's brilliant passing was the highlight of the game, but the hard-fighting Mules failed to stop Jerry Swindler, Tech's all-district back, and the game ended 14 to 0.

On September 28 the Mules opened district play in Alamo Stadium against the Lanier Voks. The Voks were outclassed and outplayed from the start when the Mules' aerial attack began to show. End Tom Bell made the first touchdown by a pass from Cox on the five-yard line. The pass was set up by a thirty-seven yard Cox-to-Watts pass. Benson intercepted a pass and ran it back for the second tally. The last two touchdowns were made by Hunt and Erben, and the final score was 24 to 0.

The Alamo Heights eleven stopped Edward Mattson and Carl Meyers of South San Antonio with a 13-to-7 defeat on October 6. Hunt suffered a leg injury in the first quarter and was replaced by Hopkins. The Alamo Heights touchdowns were set up by a 40-yard Cox-to-Watts pass and a 62-yard gallop by Erben. South San's only tally came in the fourth period on an end run.

A fighting Burbank team tossed the Mules their first district defeat on October 12. The game was played in Alamo Stadium and ended 15 to 6. Moser, Morris, Read, and Self proved themselves in this game by stopping Burbank's ace back, Jerry Mangum, completely the first half. Their only score was on a field goal, but in the second half he managed to slip away for two touchdowns. The Mules drove 80 yards for their only score, with Benson taking it over from the four-yard line.

The Mules' chances for district championship were definitely decided when they were handed a 12-to-6 defeat by the speedy Edison Bears. The Mules' only touchdown was made by Cox in the first half, and the score remained 6 to 6 until the last period when Edison scored on a line play.

A brave but heavily outclassed Cotulla team went down before the rampaging Mules on October 27. The second and third strings played the entire second half. Hunt was able to play several quarters, but was not in full stride because of his injured leg. Judson Blitch proved his ability by running back a punt for 45 yards to score, and his passing and kicking were also outstanding. Davis, McMullen, Dibrrell, and other second stringers also contributed to the final score of 51 to 0.

On November 3, the none-too-confident Mules traveled to Uvalde for a non-conference game. The Uvalde eleven was rated with the South Texas championship teams, but with the "heads up" line play by Gilliland, Thome, Williams, and the others and the superior passing and running ability of Benson and Cox, the Uvalde Coyotes went down 19 to 7. The first touchdown was made by a pass play from Benson to Bell in the second quarter, and the second tally came in the third quarter with Benson's running it over. Blitch carried the ball over for the extra point. The game was climaxed when a pass interception by Williams took the Mules to the 20-yard line and another interception by Benson drove it over for the final score.

The Mules downed the Hot Wells' Blue Devils 34 to 7 on November 10 at the Alamo Heights Stadium. The Blue Devils were outclassed all the way and their only tally came late in the second period. Again the Read, Saunders, Self, Moser combination proved itself by stopping everything in sight.

The season was ended by a game with the district champion, Harlandale. The game was played in the mud at the Indians' field, hindering the Mules' chances of passing their way to victory; but the scrappy Mules were credited with giving the Indians their toughest game of the season. Saunders and Benson cinched their all-district titles in this game. Hunt also played his greatest game of the season by making the touchdown and extra point but the Indians' superior weight and speed began to show, and the fighting Mules went down with a 13-to-7 count.

SEASON SUMMARY

March 9

The opening of track season, March 9, found Coach Martin and a five-man team traveling to the Border Olympics at Laredo. Our lone entry proved a success. We took a second place in the mile relay. The team was composed of McGaughy, Williams, Watts, and Blitch with Carhart as a substitute.

March 17 — Edison Invitation Meet

Although still inexperienced the Alamo Heights tracksters proved themselves this week-end. Charles Lebrecht took fourth in both high and low hurdles; Reagan Preis took fourth in the mile, Tom Bell was fourth in the broad jump, Jack Watts captured a second place in the 880 and a third place in the high jump. Our relay teams also took a third and a fourth place in the mile and 440, respectively. The teams were composed of Bell, Williams, McGaughy, and Blitch for the sprint relay, with Watts replacing Bell to complete the mile relay team.

March 23 — Alamo Heights Invitation

The Alamo Heights Meet proved to be one of the largest and best meets in South Texas this year. Reagan Preis, who took second place in the mile, was our only representative in the winners' circle, but much needed experience was gained by all contestants.

The District track meet will be held in April, and we're confident that our team will rate among the best in district competition.

First Row: Self, Bell, Preis, Blitch, Watts, Williams, McGaughy, Benson, and Coach Martin

Second Row: McMullen, Carhart, Truex, Scrivener, Dibrell, Neithamer, Lebrecht, and Harvey.

TENNIS TEAM

The Alamo Heights High School Tennis Club, under the sponsorship of Miss Frances Sims, is the only athletic organization for girls in the school. The first meeting in the fall was devoted entirely to the election of officers and the selection of a set of rules to be followed. Since this first meeting the club's interest has increased, and on the Alamo Heights tennis courts can be seen scores of players. The tennis team made their debut at Brackenridge on January 23. The score was as follows:

Doubles—

Peyton and Maple - Amelong
and Knox 2-6 1-6

Singles—

Martin-Spence 1-6

Dearest Fannie —

I just don't know what to say to one of the sweetest girls I know. First of all, I'd like to thank you for all the wonderful times I've had with you. Secondly, I'd like to tell you how much I admire you. You have so much sense and you're so very clever in everything you do. I could go on praising you for hours — yet there would never be this conclusion — I love you,

You beautiful woman!
